COMPANY PROFILE

Maheshwari Company, founded in 1966 in New Delhi, is one of India's leading aluminium solution providers. As an authorized distributor for Hindalco, we offer an extensive range of aluminium products—including sheets, coils, rods, extrusions, facades, solar mounting profiles, and roofing solutions—for both industrial and architectural applications.

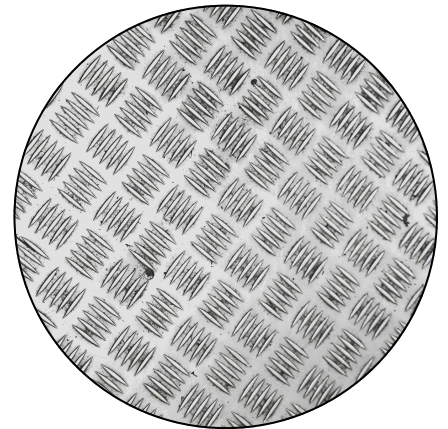

In addition to distribution, we also manufacture high-quality aluminium profiles and components, enabling end-to-end customization and reliable performance for specialized requirements.
